Youtube Premium

Wenn man seinem Account zum Beispiel zu einer nigerianischen Familie hinzufügen möchte

> Must Read! Please send your gmail, We will invite you. This is a Nigeria family, Includes Youtbe Premium and Youtube Music. If your account is not Nigeria, you must make changes.The following changes will be made to your account which may affect your use. By placing an order, you are indicating your approval.
> 1 Leave the old family group here: https://myaccount.google.com/family/details
> 2 Open https://payments.google.com/gp/w/home/settings scroll to the bottom close all payment profiles.
> If you have multiple payment profiles, you'll need to repeat this process until all of them are closed.
> 3 Close all payment profiles and open https://payments.google.com/gp/w/home/settings again. If the page does not look like the image below, you have made a mistake in the first step, so please close all payment profiles again.
> 4 Click Add a payment method, The country must choose Nigeria. Address line 1: Fill in random numbers, City:Abia, State:Abia, ZIP code:450225
> 5 After successfully add the Nigeria payment profile, open https://payments.google.com/gp/w/home/settings again and confirm that there is only the Nigeria payment profile and no payment profiles for other countries.
> 6 Check the invitation email to join the family.
> If prompt: You can only switch family groups once in a 12-month period
> Solution: Give me a new Gmail that has never been in the family.
> If there is an issue with the en route family group, we will reorganize the family group and you may need to change your Gmail.
